## **Rapallo Client**

Australia

***RE:** Credit Application for Rapallo Clients*

*Dear Client*

*Rapallo has, in recent times, been reviewing its business practices in a concerted drive to reduce costs and provide a cost effective product to its Clients.*

*Savings come in many and varied forms including improving in-house performance at all levels, reducing bad debts, insurance against bad debts and slow payments.*

*In reviewing our procedures and documentation to achieve our next tranche of savings it became obvious that we needed to reinforce our Credit Application process.*

*We are approaching all our clients at all corporate levels with new documentation that we ask you to review, sign & return.*

*One case does not necessarily fit all – so if this is the case with you and your organisation please ring us to work through any issues. Your business is valued by our team and we are all working towards a common goal – “through communication we can achieve great outcomes.”*

*“If we fight – we all fail”.*

*If you have any questions please contact Greg Mclean on 08 62790900*
